An exception is made for new businesses who have not yet been graded

  - An application can relate to an event/ festival that was held in 2022 or 2023. If it was held in 2022, it must take place again at least once between 01 January 2023 and 31 March 2024
  - The event/ festival must have the intention to be re-occurring (taking place at least once every two years), and by the time of national judging (March/April 2024) must have a date already confirmed and published for an event/festival to be held after 31 March 2024
  - For event companies that run several events/ festivals, the application must relate specifically to one named event/ festival

- Businesses of all sizes can apply as this category is judged within the context and style of the business
- Businesses that have been trading for at least three months and up to two years when applications open are strongly recommended to apply to the New Tourism Business of the Year category before considering applying to any other categories
